Web: www.globisticind.com

Company Profile

Globistic Industries company is a quality established in 1988 and now become a leading quality veterinary instruments manufacturing company with its commitments to excellence.

Our Products: - Our products are well-known in the major market for higher standard quality on reasonable prices. We cover all the veterinary instruments of all sorts. we are utilizing German technology.

Quality Policy and Objective: - Quality built veterinary instruments according to customer s requirements at competitive prices. Total customer satisfaction from first contract to delivery with best and honest service. We strongly committed to full compliance with global human rights and labour standards as related to the manufacturing of all materials used in the production of our products.

Quality Control: - All instruments are manufactured according to the standardized pattern. Steel used in the manufacturing of instruments is pre-tested stainless and conforming to the international standard. We have highly skilled permanent persons to inspect the items carefully throughout the entire manufacturing process to meet the most rigorous international quality and regulatory standards

Ability: - We do have ability to manufacture according to your requirements and improved patterns. In time delivery and honest service is always our first priority. King of Manufacturing instrument designers are skilled craftsmen who have many years experience in tool and die and instrument design.

Customer Policy: - Customer satisfaction has been our prime desire since our existence . Our customer care department is always seeking to make customers feel great. Worthy clients are informed that those instruments, which are not listed in our catalogue can be had from us on master samples, graphics, specification or reference from any foreign catalogue. The company is bound to replace any defected or substandard instruments.

We are just at the distance of an e-mail info@globisticind.com or call us for any information or help you may need.
